MEOW KLOUD

Manufacturing

Our advanced production facility operates with cutting-edge technology, ensuring high efficiency and adherence to the strictest quality standards, which allows us to guarantee timely delivery and superior products.

Shenzhen Meow Kloud Brand Management Co., Ltd. is a leading manufacturer and trader specializing in premium stainless steel drinkware. Our company and production facilities undergo annual inspections by Intertek, a globally recognized inspection firm, ensuring that we meet the highest international standards.

We take pride in delivering excellence across every phase of production, from design and coordination to manufacturing and global distribution. By strategically allocating resources across China, we have positioned our design and coordination team in Shenzhen while basing our factory and supply chains in Zhejiang province. This structure enables us to optimize efficiency and provide a seamless, one-stop solution for our clients.

With decades of industry experience, we have built a strong client base across North America, Australia, Europe and the Middle East. Our services cater to the diverse needs of our international customers, including:

- 1.Existing Product Customization – Select from a wide variety of stainless steel drinkware designs, with the option for smaller quantity logo customization using a range of techniques.
- 2.Larger Orders & Full Customization – For larger orders, we offer full customization of drinkware bodies, lid finishes, and more, tailored precisely to your specifications.

As we move forward, we are committed to nurturing long-term relationships with our global partners and continuing to explore new opportunities in the dynamic stainless steel drinkware market.

Design

Our design team consistently stays ahead of global trends, developing innovative, market-responsive designs. We offer a wide range of customization options to meet the unique requirements of our clients.

Quality Control

Each product undergoes stringent testing and quality checks, ensuring that it meets rigorous standards for durability, safety, and performance.

CUSTOMIZATION & DESIGN SERVICES

OEM Services: Customize Our Existing Models

Choose from our curated selection of premium stainless steel bottles, tumblers, and mugs — then make them your own with:

Logo Application

Multiple techniques available including silk screen, laser engraving, UV printing, water transfer, and heat transfer.

Color Customization

Pantone-matched colors for bottle bodies, lids, and silicone components, with multi-color options for bulk orders.

Packaging Solutions

Custom box design options including white boxes, full-color printed boxes, eco-packaging, and gift-ready formats.

Low MOQ Flexibility

Small-batch customization available on selected styles — ideal for gift companies, schools, and boutique brands.

In-House Design Services

Our creative team provides professional design support to ensure your products not only function well, but also look stunning:

- Custom surface graphics and pattern design
- Seasonal/holiday limited edition collections
- Logo placement suggestions and mockups
- Custom packaging artwork layout and design

With years of experience working with international brands, we are committed to delivering both creative value and production reliability. Let's turn your ideas into beautiful, branded drinkware.

FREQUENTLY ASKED QUESTIONS

Q: What is your lead time for orders?

A: For in-stock products with simple logo printing, lead time is typically 7–15 days. For custom color or packaging orders, please allow 25–35 days depending on order size and complexity.

Q: What is your minimum order quantity (MOQ)?

A: For most models, our MOQ is 500–1000pcs for custom logo printing. Some designs may support lower MOQs for stock colors — please inquire.

Q: Do you offer samples?

A: Yes! Sample charges depend on customization needs. Plain samples in stock can often be provided at a lower cost. We accept Bank Transfer, WeChat, Alibaba, and PayPal for sample payments.

Q: What logo printing options do you offer?

A: We offer silk screen printing, laser engraving, UV printing, heat transfer, water transfer and more. We'll advise the best method based on your logo and bottle material.

Q: Can I customize the color of the bottle or lid?

A: Yes — we provide Pantone color matching for bottle bodies, lids, and accessories, available for orders meeting the MOQ.

Q: What packaging options are available?

A: Standard white box packaging is included for most drinkwares. We also offer custom printed boxes, kraft boxes, and gift packaging, with full design support.

Q: Do your products meet international safety standards?

A: Yes — our products are made with food-grade 304 stainless steel and are BPA-free. We can provide FDA, LFGB, or other relevant certifications upon request for larger orders.

Q: How do you ship orders internationally?

A: We offer EXW, FOB (Ningbo, Shanghai, Shenzhen) terms and work with reliable freight forwarders. Express shipping is available for small orders.
